

CREATE CATC  
CREATE will help host  
NETRIDERS 2009 FALL COMPETITION

Hi

CREATE will work with Cisco Networking Academies to host a NetRiders Competition for Post Secondary Students in California!!

Attached please find information regarding the competition but I wanted to add one important bit of information:

**The top 10 teams will compete at Cisco Headquarters in San Jose on**

**October 30, 2009**

**CREATE will reimburse travel costs (up to \$300) to each student on one of the top 10 teams so they may attend the final California contest in person. CREATE will also extend the same offer to one instructor for each of the top 10 teams!**

We hope you play and we hope you win. Mostly we hope you play!!

Very best regards,

Karen
